Check the Difference

FOR OVER 75 YEARS WE'VE MAINTAINED OUR REPUTATION BY BUILDING THE HIGHEST-QUALITY POOLS AND PROVIDING PEACE OF MIND THAT NO OTHER WARRANTY CAN. YOU WILL NOTICE THE DOUGHBOY DIFFERENCE.

Doughboy pools are the single most adaptable pools on the market today. Whether you want an above-ground pool or in-ground look, Doughboy has the answer! Our pools unparalleled strength and quality have been legendary all over the world since Doughboy invented the first portable pool over 70 years ago.

Raise Your Expectations

Since then, we've earned a worldwide reputation for creating and maintaining the highest standards of design, engineering and service. There is simply no better value in the home pool industry. And our product is only getting better! Our 660,000 sq. ft. manufacturing facility in Arkansas provides us the production capabilities that allow us to continually explore new design concepts and product advances.

Styles to Match Your Taste

At Doughboy, we strive to maintain our reputation for building the highest-quality, above-ground pools, but we know solid construction is not the only thing that our customers demand. Our entire pool line features stylish, decorative wall patterns and thoughtful details.

Because we offer round, oval, and rectangular configurations, you have a tremendous range of options in shape and pool capacity. You can choose from 8' round to our massive 41' x 21' "backyard lakes", we have the perfect pool for your backyard. Our pool designs allow for Exclusive Expandable Liners designed to expand smoothly into an optional, special-purpose deep swimming area. Plus, our innovative Com-Pac™ II Oval Support System enables our oval pools to blend harmoniously with your backyard – the bulky side supports other brands require are gone! This system enables you to place a larger pool into a smaller area. Whether you're trying to achieve a subtle, integrated backyard environment or an impressive recreational showplace, Doughboy has the styles to match your taste!

The Best Memories for a Lifetime

We start with the basics — the raw materials. Starting with raw materials allows Doughboy to monitor all phases of the production process, assuring everything meets our stringent standards for quality. In addition, our state-of-the-art engineering and manufacturing techniques allow us to continually make new advances in product design and development. The bottom line: Doughboy produces the finest quality above-ground pools, filtration systems, skimmers, and related accessories for your investment dollars. Our most valuable asset always will be our customers who have come to rely on Doughboy to consistently deliver the highest quality products. We work hard to ensure that Doughboy customers can always depend on friendly and responsive service from all of our professional staff.
