

A DIVISION OF H.I.I.

Everything You Need

FROM THE NAME YOU KNOW

Over 75 years ago Doughboy invented the first portable pool. Since then, we've led the industry with our quality products and innovations. Only Doughboy offers a deep swimming area expandable to 7 feet deep, lifetime warranties and a wide range of attractive designs to match your unique style.

Enhance Any Backyard

Our quality construction, innovative design and superior warranties make us the industry leader.

Doughboy Leads the Way

Doughboy gives you more options than you can dream of:

- **Above-ground or recessed**
- **12' rounds to 41' X 21' ovals**
- **Beautiful liners & pool walls**

Exactly what you want

A complete line of products to fulfill all your needs.

- **Pool Options: Steel, Resin, Hydrosphere**
- **Liners:** A variety of patterns available in our 20 mil E-Z Clip, 20 mil UD overlap, and Exclusive "True" Expandable 20 and 25 mil overlap liners.
- **Filtration systems:** Sand, DE, and Cartridge.
- **Accessories:** Ladders, staircases, automatic vacuums and much more.
- **Affordable Value** – We have pools aggressively priced for the economy-minded consumer.
- **The World's Most Versatile Pools** – Only Doughboy can offer you the ability to adjust the height of the visible pool wall from 54" down to only 6" above-ground giving you the exact look you desire.

Liners: 100% Seam Warranty

Doughboy is the only above-ground pool manufacturer that produces 100% virgin-vinyl liner material made to original Doughboy specifications.

Doughboy carries two styles of liners: Traditional "Overlap" and our custom designed **E-Z Clip™** liners.

- **Special 100% virgin-vinyl formula** that resists chemicals and ultraviolet rays.
- **Therma-Seal™ Technology** – sealing technique that provides durability and supreme quality. We are so confident with this process that we cover our liner seams with a 100% lifetime warranty.

4 Step Optimized Filtration System

Even the most beautifully designed pool can lose its appeal unless it's filled with sparkling, crystal clear water. Doughboy's outstanding line of filtration systems consistently delivers a clarity that is unrivaled in our industry. No matter what your performance requirements, Doughboy filtration systems are engineered to provide a lifetime of reliable performance, with very little maintenance. Only Doughboy makes the advanced 4-Step Filtration System: Engineered to become one with your pool.

Step 1: Skimmers

Doughboy skimmers' thru-wall design and industry-leading gasket technology also features a separate vacuum port for added convenience.

Step 2: Doughboy Pumps

PowerLine XP Series Pumps can be custom matched to any of our filters for maximum efficiency.

- **PowerLine XP IV** self-priming pumps for in-ground or above-ground use, available in 115V & 220V, 1 or 1 ½ HP models. Special 220V variable speed model also available in 1 or 1 ½ HP. No cord – setup for hard wiring.
- **PowerLine XP III** self-priming pumps are available in 1 or 1 ½ HP models, and can be converted from 115V to 220V. Housing included. Available in 25' UL, or 3' NEC versions.
- **PowerLine XP II** pumps with timer are available in 3/4, 1, 1 ½ and 2 HP models. Housing included.
- **PowerLine XP I** pumps are available in 3/4, 1, 1 ½, and 2 HP single speed models, as well as 1 ½ and 2 HP dual-speed models. Housing included.
- **PowerLine XP** pumps without housing are available in non-timer, non-UL units with a 6' power cord.
- **PowerLine XP I and XP II pumps are available with the following cord options:**
 - 3 ft (NEC) double insulated cord with twist-lock plug.
 - 6 ft (non-UL) double insulated cord.
 - 25 ft (UL) double insulated cord.

ESPA Series Pumps are state of the art and deliver an efficient and reliable flow rate that will provide excellent results. Doughboy is the exclusive distribution partner for the US and Canada. Check our pricebook for more information.

Step 3: Filtration Systems

Doughboy offers five filter categories.

~AquaView High-Rate Sand Filters

- Available in 14", 17", 20" and 24" models.
- Low-profile tank design.
- All valves have 1 ½" internal threads for hard plumbing.
- Superior 360° peripheral underdrain system: No lateral fingers to break.

~Media Master™ Sand Filters

- Available in 13", 16", and 24" models
- Huge, blow-molded tank.
- Large access port with V-band clamp.
- 360° peripheral underdrain - no lateral fingers to break

~Silica Series™ Sand Filters

- Available in 15" and 16" models.
- Single part underdrain assembly.
- Abrasion-resistant A.B.S. construction.
- Tank cover and valve assembly.

~Sequel Series™ Diatomaceous Earth Filters

- Available in 15" and 16" models.
- Exclusive V-grid design.
- Abrasion-resistant A.B.S. construction
- One piece tank cover and valve assembly.

Step 4: Ultra Vac™

Automatic Pool Vacuum

Designed to clean any coved in-ground or above-ground pool from 3 feet to 9 feet deep.

Doughboy's Entry System

In addition to our variety of above-ground pools, Doughboy also offers an array of accessories and supplemental equipment to further enhance your pool experience.

The Pool Bridge™ Pool Entry System

- Specifically designed for above-ground pools with 48" to 52" sidewalls. Extension available for 54" pools.
- Features rugged polypropylene foam construction.
- Independent, lab-certified weight capacity of 350 lbs.
- "A" frame and deck models available.

Stair Waves™ Pool Entry System

- Offers pool users a convenient and efficient way to enter or exit above-ground swimming pools.
- Allows swimmers to sit comfortably on the in-pool steps.
- Features include wide stairs and platform, custom non-skid design, snap-locking exterior staircase cover, in-pool and exterior applications and more.

"A" Frame Safety Ladder

- Outside treads swing-up and lock upright for safety and security (padlock included).
- Features anti-entrapment barrier.
- Extra large anti-slip platform.
- Adjustable height for pools 48" to 56" tall.
- Maximum weight limit 300 lbs.
- No sand or bricks required; ladder fills with water.

In-Wall Entry System - 4ft Wide

These specially designed steps may be installed on a fully buried pool or above-ground pool with our Embassy deck. Swimmers can enter and exit with ease, and they also provide a comfortable place to sit. Steps sold with complete pool, as pool requires a special interface between the steps and pool for a seamless fit. Available for 16' - 32' rounds and 16', 18', and 21' wide ovals ONLY, in 52"/54" wall height. Available in Saratoga, Desert Springs, Palm Shore, Pearl River, and Copper Canyon pools only.

IMPORTANT: The "No Diving" and other Warning signage provided must be installed on each pool as indicated in the instructions provided.

NOTE: In some photos of the pools in the brochure (or web site), the "No Diving" and other Warning signage may not be visible, such Warning Signage must be installed as indicated in the instructions provided.
